Description

# FC DESK BIKE (FC-SP300)

## EXCLUSIVE FEATURES & BENEFITS

### SEMI RECUMBENT BIKE

Sit back, relax and ride in a comfortable semi-recumbent position. You'll work your hips, glutes and thighs.

### STANDING DESK

When you need to concentrate solely on your work, convert the workstation into the standing desk. You'll burn more calories than when you sit at a regular desk.

### WORKSTATION

To ensure you're as productive as possible, the workstation comes equipped with a cup holder, tablet holder and laptop strap.

### ADJUSTABLE DESK POSITION

Transitioning between sitting and standing is a breeze with the angle adjustment lever. Simply lift it up to push the desk forward or pull it back towards you.

### 2-in-1 Recumbent Bike and Workstation

With the unique 2-in-1 Recumbent Bike Workstation and Standing Desk, this bike is built for multi-tasking. The seat height and desk are both adjustable to fit multiple users' height and large backrest cushion minimize stress on your back, making it comfortable to work and exercise at the same time. Easy-to-read monitor also allows you to keep track of your progress and keep you motivated.

### 8 LEVELS OF TENSION CONTROL

The 8 levels of tension control can be easily adjusted by just turning the knob to suit your fitness needs.

### FOLDABLE DESIGN

When you're finished with your productive workout session, fold the desk bike and wheel it away to a corner to save space.
