EXCLUSIVE FEATURES & BENEFITS

38 WORKOUT APPS

Get the training you want with built-in workouts designed by a certified personal trainer to help you reach your fitness goals. Choose from calorie, heart rate control, incline and speed workout programs.

RUNNERS FLEX™ CUSHIONING

RunnersFlex™ adjustable cushioning incorporates six dampeners that provide full-frame impact reduction across the entire tread deck. You can turn it on for superb absorption or turn it off to feel more like running on the road.

ONETOUCH™ INCLINE & DECLINE CONTROL

Intensify your workout and target specific muscle groups by changing your incline. The Commercial 1750 console incorporates convenient OneTouch™ controls that allow you to quickly adjust incline & decline anywhere from -3 to 15 percent at the touch of a button.

ADJUSTABLE TABLET HOLDER

The new and improved tablet holder adjusts to your preferred viewing angle. Fixed to the back of the treadmill so it doesn't interfere with your workout, the tablet holder allows you to enjoy your favorite shows, music, and movies while you work out. Tablet not included.

iFIT® ENABLED

A revolutionary fitness brand, iFit®, helps you get much more out of each workout. Get a new workout every day, track your progress, replicate real-life runs with Google Maps™ and custom-tailor your training to your specific goals. (Requires an iFit® membership, which is sold separately.)

TRIPLE AUTOBREEZE™ WORKOUT FANS

Stay cool with three oversized fans—two upper fans on the console and a lower fan integrated into the accessory tray. You can manually adjust fans' speed, or set them to automatically match your workout intensity.
