EXCLUSIVE FEATURES & BENEFITS

MULTI-WINDOW LED DISPLAY

View all your important stats on a multi-window LED display that shows your heart rate, and distance. See how many calories you burn with an integrated calorie burn meter.

?

IFIT® BLUETOOTH® SMART ENABLED

Connect your tablet to your machine to maximize your exercise experience with customized training programs, automatic stats tracking, Google Maps™ routes, a new workout every day, and much more! (Requires an iFit® membership, which is sold separately.)

0 - 20 KMH DIGITAL ONETOUCH™ SPEED CONTROL

Walk, jog, or sprint—this treadmill accommodates speeds up to 20 Km/h. With OneTouch controls, you can change your settings with one button press instead of scrolling through options.

0 - 10% DIGITAL ONETOUCH™ INCLINE CONTROL

With the touch of a button, you can quickly adjust your incline anywhere from 0 percent to 10 percent to change your workout intensity and target specific muscle groups.

**FLEXSELECT™ CUSHIONING**

Get the best of both worlds with adjustable FlexSelect cushioning. One half-turn activates the double cushioning isolators to help reduce impact on your knees and ankles. Another half turn offers a firm, stable surface that feels like running on the road.

**INTEGRATED TABLET HOLDER**

Attach your tablet to your machine so you can enjoy your favourite shows, music and movies while you work out. This tablet holder sits above the console so your entertainment doesn't interfere with your workout.
