## EXCLUSIVE FEATURES & BENEFITS

### 20 PRESET WORKOUTS APPS

Get the training you want with built-in workouts designed by a Certified Personal Trainer to help you reach your fitness goals. Choose from 10 calorie and 10 performance workout apps.

### 0-20° ADJUSTABLE RAMP INCLINE

Tone and target quads, calves and glutes when you modify your ramp incline between 0 and 20 degrees. Simple controls change the shape and length of your stride to ramp up your training efforts for better results.

### EKG™ GRIPS PULSE

Stay in the right heart rate zone for your fitness goals. An integrated EKG pulse grip sends an accurate reading to the console.

### UPPER-BODY WORKOUT ARMS WITH SOFT-TOUCH GRIPS

Burn more calories with upper-body workout arms. Featuring soft touch, multiple position grips that accommodate any height, these workout arms are easy to hold and keep you comfortable throughout your workout.
