Description

The NordicTrack T10 treadmill is packed with features to bring you exciting, optimized workout at home. The powerful 3.0 CHP motor drives a top speed of 22km/h. Coupled with the 12% incline, it's ideal for all fitness levels and offers excellent variety and progression.

EXCLUSIVE FEATURES & BENEFITS

20 WORKOUT APPS

Get the training you want with the built-in workouts that target calorie-burning, incline, speed or intensity goals.

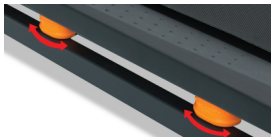

7" OVERSIZED BLUE BACKLIT DISPLAY

Track your total calories burned and your workout progress with the large backlit display. A wide viewing angle makes it easy to read your speed, time, distance, pulse and calories burned. An impressive sound system keeps you moving, and you can see your progress on a visual quarter-mile racetrack.

SPACESAVER® DESIGN

Innovative SpaceSaver® technology with EasyLift™ Assist telescoping shock helps you lift and fold the deck up and out of the way to maximise floor space

FLEXSELECT™ CUSHIONING

Get the best of both worlds from adjustable treadmill cushioning. Turn it one half turn for superior impact reduction, with cushioning isolators on each side of the deck. Turn it another half turn for a surface that feels like the road to mimic an outdoor run.

ONE-TOUCH SPEED AND INCLINE CONTROLS

Quick, responsive, 1-Touch controls speed up your pace to 22 km/h in seconds and adjust the 12% incline at the touch of a button. Easy speed selection is ideal for interval training.

IFIT® BLUETOOTH® SMART ENABLED

Connect your tablet to your machine to maximize your exercise experience with customized training programs, automatic stats tracking, Google Maps™ routes, a new workout every day, and much more!*Requires membership, sold separately. The Bluetooth word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks is under license.
