Description

Ride with maximum comfort and minimum strain. The Schwinn® 230 Recumbent Bike delivers a challenging workout in a relaxed position with increased lower back support. Its vented contoured seat adjusts in the fore or aft positions with sliding seat rail to accommodate a variety of positions for multiple users. It also features a new oversized console that makes tracking your progress easier than ever, 22 workout programs, 9 course profiles, 20 resistance levels, a high speed high inertia perimeter weighted flywheel, in-console speakers USB charging port, media rack, and contact heart rate monitoring built into the handlebars.

22 PRESET WORKOUT PROGRAMS

Choose your favorite workout program from 9 profile; 8 heart rate control (4 Beginner + 4 Advanced); 2 custom user defined; 2 fitness tests (1 Beginner+ 1 Advanced) and 1 Quick Start

WALK-THROUGH FRAME

Get started on your workout fast! Walk-through Frame eliminates the traditional bike base so it's easy to get on and off the bike.

SCHWINN CONNECT™

Time, Distance, and Calories goal tracking with USB data transfer functionality to the SchwinnConnect™ website and compatibility with MyFitnessPal® SCHWINN CONNECT allows you to upload, analyze and track your workout data. Watch your weekly progress fill in colorful graphs, share your lifetime mileage, and strive for a hot streak in meeting your goals. (Information available in the user manual)
